Academic Programs

Imperial Heights Modern School provides a thoughtfully designed academic journey from Early Years to High School, fostering intellectual curiosity, emotional resilience, creativity, and social growth. Our holistic curriculum blends academic excellence with innovation, leadership, and values, preparing students to thrive in a global society with confidence and purpose

Program	Description
Early Years (Ages 3-5)	A play-based curriculum that focuses on sensory learning, exploration, and foundational literacy and numeracy. Children develop creativity, communication, and social skills in a nurturing environment.
Primary School (Grades 1-5)	Provides a strong foundation in core subjects—English, Mathematics, Science, and Social Studies—integrated with arts, technology, and physical education. Encourages curiosity, creativity, and problem-solving.
Middle School (Grades 6-8)	Focuses on inquiry-based learning, teamwork, research skills, and critical thinking. Students explore subjects more deeply while developing leadership and responsibility.
High School (Grades 9-12)	Offers a global curriculum with emphasis on college and career readiness. Students engage in advanced academics, career guidance, and personal projects that prepare them for higher education and beyond.
